

The Deltek Vision Clientfeedbacktool Connector

The Power of Feedback Harnessed by Deltek Vision

Create Successful Outcomes for Your Clients

Blackbox's ready to deploy integration of Clientfeedbacktool and Deltek Vision allows you to keep your customers at the center of your business. Unify your customer feedback processes in Deltek Vision to promote a client-centric culture in your organization.

Point & Click Setup

The Deltek Vision to Clientfeedbacktool Connector utilizes the Blackbox Connector Wizard for Deltek Vision. The Blackbox Connector Wizard is a simple point and click, no-code integration solution that brings data together. Connect and access industry leading software directly in your Deltek Vision system. The solution dramatically reduces integration time and is securely hosted. Through an annual subscription never worry about upgrades, software patches or hotfixes again!

Feature Rich Application

- Send Surveys on individual projects or in batches
- Utilize Billing Milestones, Last Invoiced Amount, or reported percent complete to qualify projects for different surveys
- Survey multiple stakeholders on an individual project's performance
- Collect the status of individual Surveys against a project

Benefits: Streamlined Marketing

- Create loyal clients who bring in work, and refer others to you
- Listen like no one else listens
- Design your custom service experience
- Put client strategy at your core
