The Deltek Vision SAP Concur Connector
Personal Expense Report Assistant for Deltek Vision Users

Simplify Expense Report Management

Blackbox's ready to deploy integration of Concur Expense and Deltek Vision allows you to sync your employee, project and expense data. Connect your Deltek Vision and SAP Concur systems to automatically capture every expense in real-time. The Concur Expense integration helps professional services firms create a better expense reporting experience for their employees that would also enable the firm to realize significant cost savings.

Point & Click Setup

The Deltek Vision to Concur Expense Connector utilizes the Blackbox Connector Wizard for Deltek Vision. The Blackbox Connector Wizard is a simple point and click, no-code integration solution that brings data together. Connect and access industry leading software directly in your Deltek Vision system. The solution dramatically reduces integration time and is securely hosted. Through an annual subscription never worry about upgrades, software patches or hotfixes again!

Feature Rich Application

- Real time, transactional based synchronization from Vision to Concur Expense for:
  - Employees
  - Expense categories
  - Projects including Work Breakdown Structures
- Real time, transactional based synchronization from Concur Expense to Vision
  - Expense reports
  - Expense images

Benefits: Streamlined Expenses

- Give your employees their own personal assistant with the Deltek Vision Concur Expense Connector
- Significantly reduce mistakes and fraud with the automated controls and duplication verification
- Improve efficiency for employees, allowing them to focus on core business goals instead of administrative tasks
- Enable HR and accounting professionals to better manage expense processing from approval to payment posting while shortening payment cycles
- Keep critical files and data in sync between Deltek Vision and Concur Expense
